

Attention All Providers: Instructor-Led MES Training Ends August 31, 2022

This is a reminder from the Virginia Department of Medical Assistance Services (DMAS) to all Medicaid providers and their delegates to register for live, instructor-led MES provider trainings. Instructor-led webinar trainings on the Medicaid Enterprise system (MES) and Provider Services Solution (PRSS) portal will no longer be available after this month.

You must register to participate in live webinars. Registration is now open. Register early, spaces are filling quickly.

To register for any training, please visit the [MES Provider Training Registration page](#) to choose a date and time that works best for you.

Provider Education and Training Courses

DMAS offers a variety of live and pre-recorded training opportunities to help providers to receive the maximum benefits from the PRSS portal. Please visit the MES website for a comprehensive listing of current courses: [Provider Training Resources | MES \(virginia.gov\)](#).

For live webinars, participants must use a computer with internet access and a telephone line to dial in. Registered participants will have the chance to engage with the trainer and ask specific questions.

If you are unable to participate in live webinars this month, we encourage you to take advantage of these recommended recorded training:

- Provider Enrollment Application: [PRSS-111 Video Course](#)
- Provider Portal Overview: [PRSS-120 Video Course](#)
- Introduction to Provider and MCO Portal Delegate Management: [PRSS-118 Video Course](#)

If you have questions related to training, please contact
