Update of Coverage of Routine Contraceptives

The purpose of this bulletin is to inform providers of an update to coverage of routine contraceptives. In accordance with Item 313.YYYYY of the 2021 Special Session I Appropriations Act, DMAS and all contracted managed care plans will cover up to 12 months of contraceptives for Medicaid, FAMIS, and Plan First Members, effective July 1, 2021. A valid prescription for 12 months of coverage is required.

Information on specific medications may be accessed through the drug lookup tool for fee-for-service Members (see <https://www.viriniamedicaidpharmacyservices.com/provider/drug-lookup>). For questions on coverage for members enrolled in a managed care organization, refer to the relevant MCO formulary on the websites indicated below.
