## Federal Public Health Emergency Extended Until April 16, 2022; New State Public Health Emergency

The purpose of this bulletin is to inform providers that the federal public health emergency (PHE) was extended on January 14, 2022, and will now last until April 16, 2022. In addition, Executive Order 84 allowed for certain additional state flexibilities under a new, temporary state PHE.

To learn more about the DMAS COVID-19 response, please go this [link](#). To review updated DMAS flexibilities and policies (both due to the federal PHE and the temporary state PHE) please go to this [link](#).

## Managed Care Programs

Medallion 4.0, Commonwealth Coordinated Care Plus (CCC Plus), and Program of All-Inclusive Care for the Elderly (PACE). In order to be reimbursed for services provided to a managed care enrolled individual, providers must follow their respective contract with the managed care plan/PACE provider. The managed care plan may utilize different guidelines than those described for Medicaid fee-for-service individuals.
