Personal Care Rates Effective July 1, 2024

This memo serves as the official notification that personal care rates effective July 1, 2024 are posted on the DMAS website

at <https://www.dmas.virginia.gov/for-providers/rates-and-rate-setting/>. Corrections or revisions will be noted at the bottom of the official rate sheet. If you have any questions regarding personal care rates please call the provider helpline at 800-552-8627.

DMAS and its Managed Care Organization (MCO) partners are diligently working on the implementation of new provider rates set forth in the 2024 Appropriation Act. The MCOs may need 30-60 days from 6/24/2024 to finish updating their systems with the new FY2025 rates. The MCOs will automatically reprocess any claims that paid using old rates within approximately 30 days after they

finish updating their systems to the new rates.

Currently, providers have the option to bill MCOs immediately under old rates or delay billing until FY2025 rates are updated by the MCOs.
