### MEDICAID BULLETIN

Last Updated: 06/24/2024

# DMAS Pharmacy and Therapeutics (P&T) Committee Meeting Frequency

The purpose of this bulletin is to inform the provider community of the change in frequency of the DMAS P&T Committee meetings. The current bylaws state that P&T meetings are to be held at least biannually.

DMAS has made the decision to meet quarterly to allow for more regular review of new drugs and evidence to ensure that the Common Core Formulary (CCF) remains up to date with the latest evidence. The increased frequency will also ensure that all stakeholders stay informed on new medications and guidelines while promoting alignment between DMAS and their Managed Care Organizations (MCOs).

All DMAS meetings and their respective agendas will continue to be available to the public at: <a href="https://townhall.virginia.gov/l/meetings.cfm">https://townhall.virginia.gov/l/meetings.cfm</a>

#### **Managed Care Programs**

Cardinal Care Managed Care and Program of All-Inclusive Care for the Elderly (PACE). In order to be reimbursed for services provided to a managed care enrolled individual, providers must follow their respective contract with the managed care plan/PACE provider. The managed care plan may utilize different guidelines than those described for Medicaid fee-for-service individuals.
