Inpatient and Outpatient Hospital Rates Effective July 1, 2024

The purpose of this bulletin is to notify providers that effective July 1, 2024, the rates for hospitals will be updated in accordance with Chapter 12 of the Virginia Administrative Code sections 30-70-391, 30-70-341, 30-70-321, 30-70-271, and 30-80-36. This includes reimbursement rates for inpatient and outpatient acute care, freestanding psychiatric hospital per diem rates and freestanding rehabilitation hospital per diem rates.

Additionally, effective July 1, 2024, DMAS will implement Version 40 of the 3M All-Patient Refined Diagnosis-Related Group (APR-DRG) grouper and Version 3.18 of the 3M Enhanced Ambulatory Patient Groups (EAPG) grouper.

All hospital rates and rate parameters will be posted on the DMAS website at <https://www.dmas.virginia.gov/for-providers/rates-and-rate-setting/> and will be considered official notification. Lump sum payment amounts will be posted on the DMAS website at <https://www.dmas.virginia.gov/for-providers/rates-and-rate-setting/lump-sum-reimbursement/> no later than September 30, 2024. Corrections or revisions will be noted at the bottom of the official rate sheet. If you have any questions regarding rates, please call the provider helpline at 800-552-8627.

DMAS and its Managed Care Organization (MCO) partners are diligently working on the implementation of new provider rates set forth in the 2024 Appropriation Act. The MCOs may need 30-60 days from 7/8/2024 to finish updating their systems with the new FY2025 rates. The MCOs will automatically reprocess any claims that paid using old rates within approximately 30 days after they finish updating their systems to the new rates.

Currently, providers have the option to bill MCOs immediately under old rates or delay billing until FY2025 rates are updated by the MCOs.
