## Updates to the Private Duty Nursing Chapter of the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Supplement

The Department of Medical Assistance services (DMAS) has updated the Private Duty Nursing Chapter of the Early Periodic Screening Diagnosis and Treatment (EPSDT) Supplement. The updates: 1) clarify Registered Nurse and Licensed Practical Nurse training and experience requirements for Private Duty Nursing (PDN); and 2) include guidance on PDN service authorization submission requirements in cases wherein a PDN agency is not able to adequately staff hours specified in a member’s plan of care.

## Managed Care Programs

Medallion 4.0, Commonwealth Coordinated Care Plus (CCC Plus), and Program of All-Inclusive Care for the Elderly (PACE). In order to be reimbursed for services provided to a managed care enrolled individual, providers must follow their respective contract with the managed care plan/PACE provider. The managed care plan may utilize different guidelines than those described for Medicaid fee-for-service individuals.
