## **12 Months Postpartum Continuous Coverage; removal of co-payments; Behavioral Health services; technical updates to Emergency Services and Appeals sections**

The purpose of this memorandum is to notify providers of changes to Chapters I (General Information) and III (Member Eligibility) of all DMAS provider manuals, Appendix D of the Physician/Practitioner provider manual (Service Authorization Information), and the Newborn Eligibility Form.

In addition to changes made to update language for clarity, the following changes have been made to these chapters:

- Updates to information and language in accordance with Item 304.QQ of the 2022 Appropriations Act to reflect the implementation of 12 months postpartum continuous coverage.
- Updates to language in accordance with Item 304.FFFF of the 2022 Appropriations Act to reflect the elimination of co-payments for Medicaid and FAMIS enrollees.
- Changes to reflect updates to the following behavioral health services available to Medicaid and FAMIS members, pursuant to Item 304.PP of the 2022 Appropriations Act: assertive community treatment, multisystemic therapy, functional family therapy, mobile crisis response, community stabilization, residential crisis stabilization, mental health intensive outpatient and partial hospitalization. In addition, language was added to clarify that substance use care coordination is a covered service when provided as part of Opioid Treatment Program or Office-Based Addiction Treatment services.
- Updates to Emergency Services information and language to reflect system changes and clarify coverage available under the FAMIS Prenatal Coverage program.
- Updates to the Client Appeals text to add definitions, distinguish between managed care and fee-for-service procedures, and incorporate information about the new Appeals Information Management System.
- Updates to the covered services list in Chapter 1 to include doula services and clinical trials.
