MEDICAID MEMO

Last Updated: 08/28/2023

Update to Physician-Practitioner Manual, Chapters 4 and 5; and Hospital Manual, Chapter 5

The purpose of this memorandum is to notify providers that updates have been made to Chapters 4 and 5 of the Physician-Practitioner Manual and Chapter 5 of the Hospital Manual.

The changes include:

- Substantial reorganization and updates to Chapters 4 and 5 of the Physician-Practitioner manual to reflect current practices.
- Re-naming the Physician-Practitioner Manual to the Practitioner Manual to reflect that the manual includes services provided by several types of licensed health care practitioners.

Changes made to each of these chapters to remove text related to Item 313.AAAAA of the 2020 Acts of Assembly. This text is being removed in recognition of a federal court order (Va. Hosp. & Healthcare Assoc. et al. v. Roberts et al., No. 3:20-cv-00587-HEH).

Managed Care Programs

Medallion 4.0, Commonwealth Coordinated Care Plus (CCC Plus), and Program of All-Inclusive Care for the Elderly (PACE). In order to be reimbursed for services provided to a managed care enrolled individual, providers must follow their respective contract with the managed care plan/PACE provider. The managed care plan may utilize different guidelines than those described for Medicaid fee-for-service individuals.
