Updates to Chapter 7 (Appendix D) of the Hospital Manual

The purpose of this memorandum is to notify providers that Chapter 7 of the Hospital Manual, which is titled "Service Authorization" has been updated to include general service authorization information on pages 1 through 9, with hospital-specific beginning on page 9. In addition, updates were made to reflect current practices and to remove duplicative information.

To avoid disruption to claims payment through FFS and the MCOs providers must periodically check the DMAS provider portal, also known as the Provider Services Solution (PRSS), to ensure that the provider's enrollment, contact information, and license information is up to date, for all of the provider's respective service locations. Under federal rules, MCOs and DMAS are prohibited from paying claims to network providers who are not enrolled in PRSS. Additional information is provided on the [MCO Provider Network Resources webpage](#) and includes links to resources, tutorials and contact information to reach Gainwell with any provider enrollment or revalidation related questions. Dental providers should continue to enroll directly through the DMAS Dental Benefits Administrator, DentaQuest.
