Update to Chapter 5, Correction Regarding MCO Payment Rates

The purpose of this memorandum is to notify providers of a correction to Chapter V of all Provider Manuals. Chapter V has been corrected to remove language that incorrectly stated that managed care organizations (MCOs) must reimburse practitioners for all services at rates no less than the Medicaid Fee-for-Service (FFS) fee schedule.

Reimbursement is part of the provider's negotiated contract with each MCO. Only a few services are subject to a minimum fee schedule, as outlined in Chapter 12 of the Department's Cardinal Care Managed Care Contract, as updated and available on the DMAS website at https://www.dmas.virginia.gov/for-providers/cardinal-care-providers/cardinal-care-managed-care/.

Federal rules allow MCOs to contract and reimburse providers in a manner that promotes high quality, value-based care. Contact the managed care organization directly for any questions about reimbursement, value-based payments, and billing guidelines.

To avoid disruption to claims payment through FFS and the MCOs providers must periodically check the DMAS provider portal, also known as the Provider Services Solution (PRSS), to ensure that the provider's enrollment, contact information, and license information is up to date, for all of the provider's respective service locations. Under federal rules, MCOs and DMAS are prohibited from paying claims to network providers who are not enrolled in PRSS. Additional information is provided on the MCO Provider Network Resources webpage and includes links to resources, tutorials and contact information to reach Gainwell with any provider enrollment or revalidation related questions. Dental providers should continue to enroll directly through the DMAS Dental Benefits Administrator, DentaQuest.
