## Update to Hospital Manual, Chapter 7 (Appendix D Service Authorization)

The purpose of this memo is to notify providers that the Hospital Manual has been updated. Chapter 7 is being updated to include text regarding in-state, border state, and out of state requests for organ transplant services, and information regarding how a provider can determine whether they are an in-state, border state, or out of state provider.

**To avoid disruption to claims payment through FFS and the MCOs** providers must periodically check the DMAS provider portal, also known as the Provider Services Solution (PRSS), to ensure that the provider's enrollment, contact information, and license information is up to date, for all of the provider's respective service locations. Under federal rules, MCOs and DMAS are prohibited from paying claims to network providers who are not enrolled in PRSS. Additional information is provided on the [MCO Provider Network Resources webpage](#) and includes links to resources, tutorials and contact information to reach Gainwell with any provider enrollment or revalidation related questions. Dental providers should continue to enroll directly through the DMAS Dental Benefits Administrator, DentaQuest.

## Managed Care Programs

Cardinal Care Managed Care and Program of All-Inclusive Care for the Elderly (PACE). In order to be reimbursed for services provided to a managed care enrolled individual, providers must follow their respective contract with the managed care plan/PACE provider. The managed care plan may utilize different guidelines than those described for Medicaid fee-for-service individuals.
